MAYFIELD CAPTAIN 5TH 12-1049-C

B. 29th March 2012

Sire: Mayfield Poll Captain 1st 07-793-P-S-B

Dam: Mayfield Snowdrop 13th 08-297-E

Mayfield Captain 5th has served my herd very well. He is larger than your average Sussex bull. He has a fantastic temperament and incredibly good feat. He passes both these traits on, as well as great maternal traits. He has a high conception rate and after 3 crops of calves we haven't had a calving problem to date. I kept him on for a fourth crop due to his success. He is all clear of BVD, Lepto, IBR and Johnes' . We are in a 4 yr TB testing area
