

**SHOW & SALE REPORT****AUTUMN SHOW & SALE 3rd October 2014**

**Auctioneer: Mark Cleverdon 07748 202688**

**Report on trade:** Breeders who supported this autumn sale were generally well rewarded with a fair trade for the stock offered with no real high points (as we saw in the spring sale). Demand for stronger well bred stock is still prominent and again a commercial bottom kept prices fair.

In the judging ring Mike Hickman choose Michael and Jackie Hinds Mayfield Captain 8<sup>th</sup> as champion and the Millson's Trottenden Wellington 12<sup>th</sup> as reserve. In the heifers Suzanna Carters Brookhurst Jewel 8<sup>th</sup> (in calf to Black Ven Major 6<sup>th</sup>) was champion individual with best pair of in calves coming from the Starley's Edburton herd, Poll Alane 2<sup>nd</sup> and Poll Olivia 2<sup>nd</sup>. The maidens prize went to Lord De La Warr's Buckhurst Terpsichore 4<sup>th</sup> and Annis 4<sup>th</sup>.

Mature females were first in the sale ring with an opening in calf cow Kingrow Poll Jewel 3<sup>rd</sup> (2011 born) making 1100gns for J King and Son and their offering of cows and calves making to 1600gns for High Weald Poll Princess 3<sup>rd</sup>. 975 gns to 1550 gns covered the rest of the cows and calves including 1500 gns for Mrs S Carters Brookhurst Darkey 2<sup>nd</sup>.

Demand for bulls was selective (as is often the case in the autumn) with 2 out of 5 selling. Champion made 3600 gns to Sir Richard Suttons Settled Estates, Berkshire while Mrs J Howards Coopers Poll General 1<sup>st</sup> was sold to a 2600 gns bid from Mr P Hawes, Braintree, Essex.

In calf heifers all sold to breeders with F A Starley's run of 8 the stars making 975 gns to 1250 gns to 3 purchasers and the champion female from Mrs S Carter 1025 gns bought by Mr A Parkhurst, Blackmore, Essex.

Earl De La Warr's run of 18 mth old maidens caught breeders eyes too with 6 sold at 860 to 900 gns to Leconfield Farms. Reserve champion heifer, C E & W S Millson's Trottenden Terpsichore 138<sup>th</sup> made 1060 gns to Mrs J Howard, Stonegate, Sussex and Mrs Howard then saw her Petworth bred heifer Poll Valentino 8<sup>th</sup> make 850 gns to Mr P Hawes.

Completing the sale in the non members consignments Kent College YFC's aged cows and calves made to £1050 for Herne Valley Clementine 6<sup>th</sup> and in calf cows made to £810 from Ms S Griffiths. Ms Griffiths Red Aberdeen Angus bull made £1900 and the 210 born Trottenden Despot bull made £2200 to the Royal Farms, Berkshire
