Analysis date 17/04/2016

Our home bred stock bull Boxted Poll Duke 1st is a son of Piper Poll Duke 1st and one of our best ever breeding cows, Boxted Lock Heedless 76th, she was Reserve Breed Champion at the Kent Show in 2007 and bred 4 outstanding bulls that have been used by other pedigree breeders.

The Boxted Herd have been breeding polled animals over the last four years using Piper Poll Duke 1st, Boxted Poll Duke 1st and Goldstone Poll Stargazer 1st.

Since the 1960's the Herd has been weight recorded and only heifers of above average weight, muscle depth and beef value are retained for breeding. Each year only the best bull calves are reared as bulls with the remainder steered from birth.

The Boxted Herd has been part of the Biobest Health Scheme since 2010 and achieved Elite Status since April 2012, being tested clear of BVD, IBR, Leptospirosis and Johne's Disease.

Young Bulls and Maiden Heifers are usually for sale at the Society's Spring Shows and Sales.

Members of the NBA, FABBL and HiHealth Herdcare Cattle Health Scheme
