Boxted Major 8th 15-1128

Our home bred stock bull Boxted Major 8th is a son of Holm Place Major 1st and Boxted Prebble 24th.
He has a Signet beef value of SU46 B and material production value of SU33 MP.

The Boxted Herd have been breeding polled animals for the past seven years and this year cows will be served by polled bull Holm Place Poll Horatio 1st.

At the Society Spring Show and Sale 2019 we were awarded Champion and Reserve Champion Heifer.

Since the 1960's the Herd has been weight recorded and scanned for back fat and muscle depth for the past 16 years. Only heifers of above average weight, muscle depth and beef value are retained for breeding. Each year only the best bull calves are reared as bulls with the remainder steered from birth.

The Boxted Herd has been part of the Biobest Health Scheme since 2010 and achieved Elite Status in April 2012, being tested clear of BVD, IBR, Leptospirosis and Johne's Disease.

Young Bulls and Maiden Heifers are usually for sale at the Society's Spring Shows and Sales.
