

THE BOXTED HERD

Founded 1962

Signet recorded

Intermediate Herd Competition winners in 2000, 2002, 2003, 2005, 2006, 2008, 2009, 2010, 2012, 2013, 2014, 2015, 2016, 2017 2019, 2021 and 2022

The Boxted Herd have been breeding polled animals for the past eleven years using 6 different polled sires, this year we will be using our new polled Stock Bull Elbridge Poll Premier 14th.

Since the 1960's the Herd has been weight recorded and scanned for back fat and muscle depth for the past 20 years. Only heifers of above average weight, muscle depth and beef value are retained for breeding. Each year only the best bull calves are reared as bulls with the remainder steered from birth.

The Boxted Herd has been part of the Biobest Health Scheme since 2010 and achieved Elite Status in April 2012, being tested clear of BVD, IBR, Leptospirosis and John's Disease.

Any Young Bulls and Maiden Heifers are usually for sale at the Society's Online Spring Sale.

Members of the NBA, FABBL and HiHealth Herdcare Cattle Health Scheme
